SOUTH NEWFANE.

Appreciation of Rev. F. A. Kelly's Work.

The following is from the Watchman-Examiner, a national Baptist paper:

"Rev. Frank A. Kelly, for the past two years pastor of the churches of South Newfane and West Dummerston, has tendered his resignation and is moving to the West. Prior to the coming of Mr. Kelly to this pastorate the churches had been pastorless for six months or more. Much had left the field in a weak condition. Mr. and Mrs. Kelly, both young and vigorous, took hold of the work on this field, and it became soon apparent that the field had taken on new life. During the ministry the Sunday school increased its membership twenty-five per cent, the social activities of the church were introduced and developed to such an extent that the churches became a strong factor in the communities, while the spiritual activities of the churches kept pace with the social side, and a good number of new members were added. The edifices have been kept in excellent condition, and the old unsightly wooden steps have been replaced by concrete work. Mr. Kelly's work has been highly appreciated in this field and his resignation is accepted reluctantly."

July 9 he occupied the pulpit of the First church, Danville, Illinois. Rev. E. L. Krumreig, D.D., pastor. The Danville church is reaching out into the outlying districts and has established two chapels since the beginning of Dr. Krumreig's pastorate three years ago. In the Danville chapel, five miles from Danville, a series of special meetings were held during the month of June, which resulted in sixty-two conversions. The meetings were under the auspices of the First church, and Rev. E. L. Krumreig, pastor-at-large of the Danville association, had charge of the services. On July 4 Dr. Krumreig baptized two candidates as a result of these meetings. Others are on the waiting list."

BACKACHE IS DISCOURAGING.

But Not So Bad If You Know How To Reach the Cause.

Nothing more discouraging than a constant backache. Lame when you awaken, pains pierce you when you bend or lift. It's hard to work or to rest. Backache often indicates bad kidneys. Brattleboro people recommend Doan's Kidney Pills. Read this case:

O. F. Bailey, 108 Canal St., Brattleboro, says: "I suffered from backache and dull pains over my kidneys. In stooping or lifting, sharp pains would catch me and I could hardly straighten again. The kidney secretions gave annoyance by their too frequent passages. Doan's Kidney Pills, procured at the Brattleboro Drug Co., removed the pains, regulated the action of my kidneys and improved my general health."

PERMANENT BENEFIT.

OVER TWO YEARS LATER, Mr. Bailey said: "I haven't had any kidney trouble for over a year now, thanks to Doan's Kidney Pills."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Bailey has twice publicly recommended. Foster-Milburn Co., Props. Buffalo, N. Y.
